URGENT NEED – Flood Buckets and Hygiene Kits – Hurricane Harvey Flooding

Hurricane Harvey has come and gone and left wide-spread flooding in its path. MNA Disaster Response is on the ground working with local PCA pastors and leaders as well as community officials to assist with the needs presented by Hurricane Harvey and the resulting flooding. The major request at this time is for financial assistance and for flood buckets and hygiene kits.

There is an **urgent need for flood buckets and hygiene kits** to be assembled and sent to the MNA Disaster Response Warehouse in Rome GA. [Click here](#) for instructions on flood bucket and hygiene kit assembly.
